

# ROSIE'S GIRLS

## APPRECIATION BREAKFAST + VISION 2012

### Join us for a Continental Breakfast!

Please join us for a **Rosie's Girls Appreciation and Vision 2012 Breakfast!** We'll be recognizing our 2011 supporters, sharing more about the successes of this year's camp, and making plans for 2012. We'd love to hear your ideas about how we can make 2012 the best year yet for northeast Ohio girls!

The event will be held in the **Mendel Room** of the **Center for Children and Families** (4500 Euclid Ave. Free parking off E. 45th). Please RSVP to Inas Jassani at **216-861-6500, x26**.

### What is Rosie's Girls?

**Rosie's Girls** is a youth program coordinated by **Hard Hatted Women**, an organization dedicated to accelerating women's advancement in high demand careers. Centered on "**inspiring girls to greatness**", this three-week day camp exposes young women to non-traditional career options, while celebrating girlhood. The program is designed to boost self-esteem, perseverance, and leadership skills through hands-on instruction in the skilled trades and **STEM fields** (Science, Technology, Engineering, and Math). Girls in past programs have explored carpentry, welding, electrical wiring, public safety, computer assisted design, computer animation, and bike repair.

### That sounds great! How can I help?

Supporters of Rosie's Girls contribute by providing monetary support, hosting industry tours and Rosie's Girls meetings, providing role model speakers, mentors, and technical workshop teachers, and by donating tools, access to equipment, and workshop supplies. With your investment, Hard Hatted Women can continue to provide exposure to the skilled trades and enrich the lives of our future skilled tradeswomen!

## Host

**Hard Hatted Women**

## When

**Tuesday,  
Nov. 29<sup>th</sup>  
8:30 - 10:00 am**

## Where

**Center for Families & Children**

4500 Euclid Ave.  
Cleveland, OH 44103
