Attention: Ms. Rachel Moviel
President

Re: Apprenticeship Opportunities

Dear Ms. Moviel:

We have been recently informed by the Ohio Valley Construction Employers Council, Inc. through their Construction Report Newsletter of apprenticeship opportunities for several construction trades.

Please see their Announcement of Apprenticeship Opportunities on the reverse side of this correspondence.

We are a heavy highway bridge contractor and encourage you to refer qualified individuals to take advantage of opportunities in the trades of Carpenter, Cement Mason, Iron Workers, Laborers and Operating Engineers.

Very truly yours,
Armstrong Steel Erectors Inc.
