Dear Community Member,

We are very excited about the future of **Hard Hatted Women (HHW)** in Lorain County. We are pleased that the partnership which began in early 2010 between HHW and **Leadership Lorain County** continues to grow. We also thank you for being a part of our current success.

The youth program, **Rosie's Girls** has had two successful summer camps through a partnership between HHW and Lorain County Community College. With your ongoing support, it will continue this coming summer 2012 with an already long waiting list in place. So much interest has been shown by the Rosie's Girls graduates and their parents that planning is now underway to create a **Rosie's Girls Alumni Club**. We are also gearing up to pilot HHW's career exploration program for adult women set to begin in the spring of 2012 also in **partnership with LCCC**.

We need your help! We need your expertise as we reach out to the women in Lorain County who are ready to learn about and pursue careers which can help them achieve lifetime economic security. We need employers who welcome a ready, skilled candidate pool that represents our community's wonderful diversity. And we welcome volunteers ready to lend a helping hand to mentor and guide women on their career pathway.

Once again we are convening a community meeting realizing that success will come from the active engagement of local stakeholders who will form a program uniquely suited to Lorain County.

Therefore, you (or a representative) are cordially invited to our second community meeting which will be held:
