

CHRISTMAS IN NOVEMBER? IT'S MAGIC!

REMINDER!!! REMINDER!!!

MONTHLY MEETING – NOVEMBER 5, 2009

APPLEWOOD FUNDRAISER EVENT!

It is that time again!

“Applewood”. It’s not too soon to start thinking about how our organization can help make this holiday season brighter and put the Magic of Christmas back in for our community’s most at-risk children and youth. These children have been neglected, abused and abandoned and hopefully NAWIC can reassure them that some cares. In the past, we have provided supplies, crafts, entertainment, and volunteers to help provide a memorable Holiday Party for these children. In keeping with putting the Magic back in Christmas for the children, this year we will have a magic show as a special treat.

At the November meeting we will have both a 50-50 raffle and a gift exchange. If you would like to participate this year, please bring a wrapped gift such as a holiday pin, necklace or an ornament to the November Meeting. If the pin or ornament exchange is not your thing, you may also give a cash donation. We will then sell raffle tickets to all members. \$1.00 each, 6 for \$5.00 and a new measurement for \$20.00—you can get a “nose to fingertip” measurement of tickets! That’s a lot of tickets. Remember, the more tickets you purchase, the more chances to win. We have so much fun.

I also want to “thank” **VIP Restoration** and **Foundation Software** for their generous donations to support this cause.
