“Identity Crisis: When Someone Wants to be You”

Please join us as we welcome Tim Dimoff who is nationally recognized as an authority on high risk security and workplace risk issues and will be speaking to us on the topic of “Identity Theft”. This is a must-attend presentation – you’ll learn about the frightening epidemic of identity theft and how it can rob you of your life. This isn’t the stuff of Hollywood movies – there are millions of real victims of this crime each year. And, estimates claim that this crime already accounts for over 25 percent of all credit card fraud. Unlike other crimes, prevention is not that difficult. Learn the simple steps you can use to prevent this disaster from happening to you.

Timothy A. Dimoff, Founder and President of SACS Consulting & Investigative Services, Inc., is considered one of the nation’s leading authorities in high-risk workplace and human resource issues, security, vulnerability assessments, terrorism and crime. He is known as a speaker, trainer, investigator and author and has appeared on national radio and television shows including Dateline, NBC and CNN, and in major newspapers including The Chicago Tribune, The New York Times, The LA Times, The Washington Post, and The Wall Street Journal. Dimoff is a nationally recognized expert on violent behavior and criminal investigation and has provided crime commentary and profiling analysis on television and radio appearances including MSNBC, CNN, and Court TV. As a consultant to law enforcement and the media, Dimoff has been called upon to examine evidence from crime scenes and victim and witness reports to develop an offender profile.

Dimoff is the author of six books, including *How to Recognize Substance Abuse*, *The YOU in Business* and *Life Rage*, a chilling examination of societal rage and safeguards against it. Dimoff is also nationally recognized for his expertise in developing training programs for corporations, law enforcement, security agencies, and other organizations. His expertise includes high risk and security issues, human resource issues, corporate investigations, liability issues from hiring to firing, drugs and substance abuse, identity theft, law enforcement procedures, and victim justice.

Dimoff holds a B.S. in Sociology, with an emphasis in criminology, from Dennison University and is a registered national expert who is often called upon to testify throughout the United States. He is board certified by ASIS (American Society of Industrial Security) as a Certified Protection Professional (CPP™), a designation that indicates board certification in security management and is recognized worldwide as the highest recognition accorded a security practitioner.

Dimoff resides in Tallmadge, Ohio with his wife, Michelle, and three children.
