

WBE/WBO FACT SHEET

This committee is a resource to our chapter members who are interested in applying for one or more of the many minority certifications available. We are putting together a list of minority/women business classifications available and the contact information of where to apply. If you have a classification that you think we should include, please email us with the details and we'll add them to the list. Applying for these certifications can be a daunting task so if you have any tips, please send them our way.

We are also in the process of putting together a list of the Chapter companies and the classifications they hold: DBE, EDGE, FBE, MBE, etc. If your company is looking for an FBE company to partner with, please check our chapter's list first to see if any one qualifies. We hope to have both lists posted to our Cleveland website soon. If you want to be included, please email us.
