

INDUSTRY APPRECIATION FACT SHEET

Industry Appreciation night is typically held in May when members honor those person(s) who have influenced their careers. A few months before this special evening, members may nominate a person who has made a difference in their career/life and how they support NAWIC. Nominations are reviewed and a winner is determined by other members outside of Region 4.

2010's winner was Thomas Wanner, Executive Director of the Mechanical & Plumbing Industry Council. Past winners also include members, Amy Cheverine, retired of The Chas. E. Phipps Co. and Tari Rivera of Regency Construction Services, Inc.
