

WIC WEEK FACT SHEET

Women in Construction (WIC) Week unites NAWIC women in celebrating their accomplishments and sharing their talents with the community. Chapters are encouraged to organize and participate in at least one special event during this special week. Recent activities include construction site tours, volunteer at the Cleveland Foodbank and a large banner hung from a jobsite.

Did you know that women comprise of 9.6% of the construction work force today

2010-2011 NAWIC YEAR

In 2011, WIC Week is March 6 - 12, 2011.

Activities for this are still being planned.

Volunteers are needed: Do you have a job site where we could hang the banner?
Would you like to help plan a social event?
Let us know!
